## ARF Trooper - Boil (Camouflage Armor)

Model **MODEL NAME**, Photo by **PHOTOGRAPHER NAME**

**Description:** ARF Trooper - Boil (Camouflage Armor)

**Prefix:** CX

**Detachment:** Clone Trooper Detachment

**Context:** The Clone Wars, season 2

Boil serves in the 212th under Commander Cody. This alternate ARF trooper style armor featured a red and yellow paint scheme to blend in to the unique surroundings on Geonosis, and appears in Season 2, Episode 5 (Landing at Point Rain).

The 501st approval requirements are listed in black.

In the page below, items listed in blue are recommended features that will improve the quality of the costume. Items listed in red are intended to further enhance the finished costume.

***For 501st membership only the requirements in black need to be met.***

**IMPORTANT:** Effective June 1 2012, the 501st will no longer be approving realistic interpretations of Clone Wars CG characters. The armor sculpt must match the character being recreated. See [this thread at clonetroopers.net](#) for the differences between the sculpts.

- This CRL is a work in progress.
- While this costume must be approved by the Legion Membership Officer, submissions should still go to the local GML, who will post the application in the appropriate section of the Legion forum.
- If you have this costume and would like to assist with this CRL, please contact your detachment leader!
- Please note that the use of the word "should" below does not indicate that a requirement is optional. All instances of should will be replaced with must as this guide is completed.
